

To All Students in MAT 8: How to Prepare for a MIDTERM EXAM

Note: Your Departmental Midterm Exam is quickly approaching. Ask your Instructor for the specific date.

General Good College Habits

- ❖ Do attend class each day
- ❖ Do be on time to class
- ❖ Do contact your instructor if absence is unavoidable
- ❖ Do read your text book or e-book before attempting a homework assignment
- ❖ Do read the next lesson's topic ahead of time – be prepared
- ❖ Do take notes in class – rewrite your notes at home for clarification and repetition
- ❖ Do ask questions during class when not understanding class material
- ❖ Do all assigned homework assignments by due dates and/or before exams
- ❖ Do redo an in-class exam or quiz to learn from your mistakes – return to instructor for verification
- ❖ Do practice MATH – it will stay in your long-term memory and result in reducing math anxiety
- ❖ Do write all homework solutions in a separate math notebook. If you get a homework questions wrong, bring the homework notebook to class and ask your instructor/or tutors in Math Lab to help you find the errors.
- ❖ Do visit your instructor during office hours or contact via email – or leave note in your instructor's mailbox located in the Mathematics Department room N599
- ❖ Do visit the Math Lab room S535
- ❖ Do form study groups with classmates or students taking same class
- ❖ Do try to practice without a calculator – calculators are not permitted to be used on the Midterm
